Erratum to: Law et al. “The current landscape of television and movies in medical education”.
Perspect Med Educ (2015) 4(5):218–224
DOI 10.1007/s40037-015-0205-9

Page 221, left column, under the section “Topics/Content (What?)”: Owing to an unfortunate oversight, the last sen-

tence of this section was truncated during proof correction. The sentence should read: “For details about each study, please refer to the Electronic Supplementary Material”.

An extended version of the table in the Electronic Supplementary Material is available with this erratum.
